

Bridges 2019
1st - 5th Grade Summer
Reading & Math Program

This is a great opportunity for your child to maintain the progress they made in the previous school year and get a jump start on the new school year! Summer Bridges is designed for children who will be entering first through fifth grades in 2019-2020. Our small classes can increase your child's success in the fall.

Students will be placed in classes by grade level but there is some scheduling flexibility. If you feel your child would benefit from a different grade group, we can accommodate that request. For example, if a fourth grader is struggling in reading, it may be beneficial to put them in a third grade class to help them catch up. Also, if your student has good reading skills, it may be beneficial to put them in a grade ahead to keep them challenged. All Bridges classes meet twice a week for four weeks for a total of eight sessions. Tuition for the Reading and Math Programs are \$20 per class (Reading / Math). Students receive a healthy snack and drink between classes and supplemental activities to take home for practice. Summer office hours are Monday through Thursday 8:00 am to 2:00 pm. The office will be closed from Wednesday, June 26 through Monday, July 8th. All classes are held in the air conditioned, Portland Adult and Community Education building (PACE). Please enroll and submit payment by July 18, 2019 by mailing a check payable to Portland Public Schools, 1090 Ionia Road, Portland, MI 48875.

For more information, please call 517-647-2987
